This summer, Sherwood Forest Boys and Girls Camp registration is on-line, using the CampDoc tool. CampDoc is an online registration system for camps.

To Register, go to this link. You can also access registration at www.sfcamp.org/registration
- Click the SIGN UP button.
- In the Email box, type your email address in order to confirm.
- In the Password box, type the password that you want to use.
- Click the CONTINUE button.
- Follow the instructions, to create your profile and complete the Health Profile for your participant.

The security and privacy of your participant's health information is important to us. The CampDoc site is secure, encrypted, and password protected. Click here find additional information about CampDoc privacy and security information.

Required questions will be marked with an * and outlined in red. Upload any required documents to your CampDoc account. If you're on a phone/tablet, you can take a picture to upload the document.

Keep in mind that you can return to this link at any time to make updates to your participant's health information or make additional payments before your program begins. You can log in using the email address and password you previously created.

We're excited to let you know that your participant's health information will save from year-to-year, so once you complete it in CampDoc this season, you won't have to start from scratch next year.

Additionally, CampDoc sends out periodic reminder emails for incomplete health profile information. These notifications come from campdoc.com, so please add this to your safe sender list to avoid accidental delivery to junk and spam folders.

Please note that CampDoc supports the current and previous major releases of Chrome, Firefox, Microsoft Edge, and Safari which provide improved security and performance for health information.

For additional assistance, you can navigate to support.campdoc.com or email chairperson@sfactivitiescommittee.com.

We can't wait to see you this summer!
